Merc,

I hope you had an amazing holiday season surrounded by family and friends! I certainly had a great time being back in San Diego. Hopefully I got enough of a tan to last me through this East Coast winter!

It has been so great getting to know you and the rest of the class of 1972 during these past few months. You are all such amazing people and I am eager to get to know you all better over the years as our connection turns into a lifelong friendship. I am beyond grateful to receive this scholarship, it really means a lot to me and my family. I will prove to you all that I was a great choice by being a good student and helping with class of 1972 events whenever I can. Thank you again and take care. I am sure I will see you very soon.

Very best,  
Evan Elig
